OLD BUSINESS

6. Marketing/Social Media - Jeanne

BPAC had a table at the Greenway awards at Hammonasset. It was successful and we plan to have a table at future opportunities. We will work to get more literature and hand outs for marketing at tables including a QR code with a link tree.

The town received an application for the community crosswalk and BPAC is working to get a copy of the application and we are working through next steps.

We have an opportunity to host a table at the Surf Club to promote the Bike Rodeo.

Considering opportunity to participate in the 4th of July parade.

7. Open Lots/Bike Rodeo - Dan

The bike rodeo is all set for June 24th. We will have publicity for the rodeo on the calendar for Beach and Rec and chamber of commerce. A sub committee from this group will meet to discuss details and jobs for the rodeo. We will also have the vintage and exotic bike exhibit included at the bike rodeo.

8. Funding- David

David and Dan met with Erin Mannix to discuss donated money and ways to fundraise for the BPAC committee. They discussed ways to plan for the towns future annual budgeting to include money for the BPAC committee. David shared ideas to solicit funding from other sources.

9. Network Plans- Group

Network plans are complete and we are working towards getting funding for the master plan through different sources and taking next steps to move it forward. The committee will follow up with Erin regarding the status of SCRCOG funding
