

Minutes – June 24, 2019

Present: Bill Piggott, Warren Hartmann, Ginny Raff,
Ron Bodinson, Mary Pat Nardino, Scot Erskine

Absent: Alicia Sullivan

Meeting called to order at 6:04 P.M.

Music Festival

- Everybody thought the festival was a great success and agreed we should do it again for next year. It was discussed that perhaps we should schedule the festival for Saturday instead of Sunday. People might stay later at the park because of no school or work the next day. We will decide on the Saturday or Sunday at our August 26th meeting. Chef Paul Barron broke even with his food sales. He definitely wants to do it again next year. We had a problem bringing power to his Fries cooker. Warren mentioned that we may want to consider some paid Ads to promote the Festival better.

Maintenance and Management

Trees have been cleared on the west side. Vandals are still cutting the ropes between the parking posts. Do not know what the solution is at this point.

Building and Park Overlook Update

Scot after the 4th will get the building plans and then start the process of getting bids for construction. With the Overlooks, we may need to get a permit from DEEP. Scot is working with Mike Harkin, an outside contractor, in coming up with plans for the overlooks. .

New Committee Member Search

Trying to find new members. Hard to get people to volunteer their time.

Other Business

For 2020, Scot is considering changing the location of the Town Summer Concerts to Salt Meadow Park. Great idea. The park is a perfect location.

July 22 meeting is canceled. Next meeting August 26

Adjournment

Ginny motioned to adjourn. Seconded by Warren
