Approval of Meeting Notes September18,2022. Motions Dave 2nd- Cecily Approved

Chair's Report:

- . Third graders viewed the charcoal site on how to make charcoal and the many uses of charcoal
- . Austin had contacted the company to replace the damaged Eagle scout sign that had been vandalized
- .The Bimble's Bluff race on Oct.23rd was positive with feedback on the excellent conditions of the trails from the participants'

Two major planting days of native plants for the pollinator garden of over 650 plants on Oct. 15 and 29th

Austin shared information on the new metal Gate for the entry to Poole Road from Dead Hill Road making it possible to enter Poole Road for town equipment.

OTHER REPORTS

- . The Coan Pond report will be filed by Rich on Tuesday. The trail is in good condition.
- . Jason reported that and eagle scout project was almost done at the Pump Track of a Bike Stand-Repair Station.

Cecily reported on updates for the Native Pollinator habitat Project on the successful plantings of 650 plants and the load of wood chips for the garden site. There are plans for two viewing stations next to Coan Pond and the Pollinator pathway.

A Review of the 2022 Projects and goals will be in the Annual year report for 2022 and projects for 2023.
