

MADISON INLAND WETLANDS AGENCY

Madison, CT

At a special meeting held on May 15, 2015, the Agency took the following action:

Inspection of damage to the concrete parapet wall of twin culverts that carry an un-named watercourse under the road between Sheperds Trail and Heatherwood Drive due to a motor vehicle accident. Emergency repairs are required because there is a public safety issue and time is of the essence. **Emergency repairs approved.**
