FROM THE DIRECTOR

November is a time for giving thanks and being with family and friends. This Thanksgiving may be a little different than the usual, and that means we all need to do our part to check in on those who need a friend. Make it a point to call that friend that usually travels to family in a different state and is not this year. Zoom with the neighbor that is the usual host for Thanksgiving but is not having company this year. Go out of your way to touch base with those who could use a friendly conversation to make things feel a little bit more normal. What might seem like a little gesture to you, may be just what someone needed to help them get through what could be a difficult Thanksgiving holiday. I hope you enjoy this issue of Trends and Traditions.

Happy Thanksgiving to all.

Austin Hall

GRATITUDE CHALLENGE

Gratitude is one of the best ways to change your life for the better. It is extremely simple and easy to do but with profound consequences. If you simply write down 3 things you are truly grateful for every day, it will change your perspective and your life. And of course there are many, many ways to incorporate gratitude in to your life. A wise woman said *“Be thankful for what you have; you’ll end up having more. If you concentrate on what you don’t have you will never, ever have enough.”*

I always thought that gratitude and happiness were the result of an external experience or event, a raise, a big accomplishment, a new relationship. But it turns out that it’s just noticing and appreciating the small every day things that make the biggest difference.

“Somebody who has a dozen mildly nice things happen each day is likely to be happier than somebody who has a single truly amazing thing happen. So wear comfortable shoes, give your wife a big kiss, sneak a french fry. It sounds like small stuff, and it is. But the small stuff matters.”

If you would like to learn to make gratitude a habit, join the **Gratitude Challenge**. We will meet via Zoom once a week in November and then monthly after that. Registration required.

FINANCIAL RESOURCES NEW UPDATED INFO

Eversource- (800)286-2000

Due to the COVID-19 pandemic, two new programs have been developed by the Utility Companies to provide additional assistance.

Matching Payment Program Phase 2 “Lite” (new)

MPP Phase 2 “Lite” is a new program offered to eligible low-income, heating customers who would have otherwise been eligible to enroll in MPP during the normal Program year (Nov – May) but did not. Starting in July, customers only need to make four (4) payments of \$75 (total \$300) to be eligible to receive a “match,” down to a zero balance on their electric bill. Payments must be made by the end of the Phase 2 “Lite” program which is October 31. (CEAP is not a requirement for Phase 2 “Lite”) MPP Phase 2 “Lite” (available now through Oct 31) is a completely separate program from the normal MPP which is year-round (Nov-Oct). Instead this will be for customers *who did not* participate in the MPP this program year but would have otherwise been eligible.

Below Budget Worksheets during Phase 2 (for regular MPP)

Customers who enrolled on MPP during normal Phase 1 program (Nov – May 1) have the ability to lower their MPP total monthly payment amount. This will only be available to lower *existing* MPP total monthly payment amounts up through October 31, 2020. The minimum total monthly is \$75, but the budget is calculated based on income vs. expenses. To access either program or for more information regarding how these programs might assist you, please contact Heather Noblin.

Internet Service:

According to Comcast, they are taking the following steps to assist people for the next 60-days:

- “Xfinity WiFi Free For Everyone”: Xfinity WiFi hotspots across the country will be available to anyone who needs them for free, including non-Xfinity Internet subscribers. For a map of Xfinity WiFi hotspots, visit www.xfinity.com/wifi. Once at a hotspot, consumers should select the “xfinitywifi” network name in the list of available hotspots, then launch a browser.
- “No Disconnects or Late Fees”: Comcast states it will not disconnect a customer’s internet service or assess late fees if they are unable to contact them. Contact Comcast’s Care Team to make a flexible payment arrangement.
- “Internet Essentials Free to New Customers”: Comcast states that low-income families who live in a Comcast service area can sign-up for “Internet Essentials”. New customers will receive 60 days of complimentary Internet Essentials service, which is normally available to all qualified low-income households for a nominal monthly fee.
