How to Watch Town Meetings Online
Online Meetings

On March 14, 2020, Governor Lamont established Executive Order 7B which grants Towns the ability to conduct public meetings via a remote platform. The Town of Madison has continued to develop a method for conducting these meetings in a manner that adheres to the regulations of this Executive Order.

Beginning Monday, April 13, 2020 all Town Meetings will be conducted via Zoom. Any member of the public will be able to access a meeting through a Zoom webinar link, or, to view the live stream of the meeting via Youtube.

The link to the webinar will be posted with the Meeting Agenda on the Town of Madison Agenda Center and on the event on the website calendar. Any attendee of the Zoom webinar meeting will be able to view the meeting feed and listen to the actions of the meeting.
